The members of the Committee, including the Chairperson thereof, shall be appointed by the Board. Any vacancy on the Committee shall be filled by majority vote of the Board. No member of the Committee shall be removed except by majority vote of the Board.

III. Meetings

The Committee shall meet as often as it determines to be appropriate. Meetings may be called by the Chairperson of the Committee or the Chairperson of the Board. Minutes of each meeting shall be taken and recorded and shall be reported regularly to the Board, as appropriate. Actions may be taken by unanimous written consent when deemed necessary or desirable by the Committee. Members of the Committee may participate in a meeting by conference call or similar means.

A majority of the members of the Committee present in person or by means of a conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other shall constitute a quorum. The Committee may act by a majority of the members present at a meeting of the Committee. In the event of a tie vote on an issue, the Committee Chairperson’s vote shall decide the issue.

- A. Unless otherwise authorized by an amendment to this Charter, the Committee shall not delegate any of its authority to any subcommittee.

- B. Reports of meetings of and/or actions taken by the Committee (whether at a meeting or by consent) from time to time shall be made by the Chairperson of the Committee (or by his or her delegate) to the full Board. In addition, the Chairperson of the Committee (or his or her delegate) shall be available from time to time to answer any questions that the other directors may have regarding the matters considered and actions taken by the Committee.

IV. Responsibilities

The following are the general responsibilities of the Committee and are set forth only for its guidance. The Committee, however, may diverge from these responsibilities and/or may assume such other responsibilities as the Board may delegate from time to time and/or as the Committee may deem necessary or appropriate from time to time in performing its functions in accordance with the Certificate of Incorporation and other governance documents of the Company and in accordance with applicable law. The Committee shall:

A. Board of Directors

- a. Evaluate periodically the desirability of, and recommend to the Board, any changes in the size and composition of the Board.

The Committee shall use such criteria and principles to guide its director selection process. The Committee shall be responsible for reviewing with the Board the requisite skills and criteria for new Board members as well as the composition of the Board as a whole. The Committee may adopt, and periodically review and revise as it deems appropriate, procedures regarding director candidates proposed by shareholders.
- c. Such guidelines shall take into account all relevant factors, including the nature of each individual's responsibilities and related background and any particular complexities relating to the Company's business, financial statements or other characteristics. These guidelines may include higher requirements for directors who are members of certain committees of the Board than for those who are not members of such committees and, in appropriate circumstances, may provide for higher or lower requirements for a particular director based on his or her background and/or occupation.
